Hancock Horizon Diversified International Fund is a top performer for 2009

GULFPORT, Miss. (January 25, 2010) — Hancock Holding Company (NASDAQ: HBHC) announced today that the Hancock Horizon Diversified International Fund (HHDTX), for which EARNEST Partners is the subadvisor, was ranked in the top one percentile among international large cap blend mutual funds for 2009, according to Morningstar.

The Trust class had a one-year return of 54.25% compared to the Fund's benchmark, the MSCI ACWI ex US, which returned 41.45% for the same time period.

EARNEST Partners has managed its International strategy for 10 years, during which time it has outperformed its benchmark, the MSCI ACWI ex US, by 4.70% annualized gross of fees (3.96% net of fees).

Through 12-31-09, performance for the Hancock Horizon Diversified International Mutual fund is: Trust share: 54.25% (One Year); 14.95% (Since Inception); Class A: 53.88% (One Year); 14.69% (Since Inception); Class A with load: 45.79% (One Year); 9.85% (Since Inception) and C class: 52.67% (One Year); 13.78% (Since Inception). Inception Date is 9/30/08. Past performance does not guarantee future results. The investment return and principal value of an investment will fluctuate so that an investor's shares, when redeemed, may be worth more or less than the original costs. Current performance may be lower or higher than the performance quoted. The gross total expense ratio is 2.43%; the net total expense ratio is 1.57%. The Advisor has contractually agreed to waive fees and reimburse expenses until May 31, 2010. In the absence of current fee waivers total return would be reduced. For each fund with at least a three-year history, Morningstar calculates a Morningstar Rating™ metric each month by subtracting the return on a 90-day U.S. Treasury Bill from the fund's load-adjusted return for the same period, and then adjusting this excess return for risk. The top 10% of funds in each category receive 5 stars, the next 22.5% receive 4 stars, the next 35% receive 3 stars, the next 22.5% receive 2 stars and the bottom 10% receive 1 star. The Overall Morningstar Rating for a fund is derived from a weighted average of the performance figures associated with its three-, five- and ten-year (if applicable) Morningstar Rating metrics. Hancock Horizon Burkendroad D (HYBUX) was rated against the following numbers of Small Blend funds: 566 funds in the last three years, 467 funds in the last five years. With respect to these funds, HYBUX received a Morningstar Rating of 5 stars and 5 stars respectively. Hancock Horizon Strategic Income Bond T (HHBTX) was
